

Current Process of Finding Product/ Design Ideas _ Trend Folowing Direction				
Step	Sub-step	Detailed Instruction	Tools	Notes
Find Trending Products on TikTok	Search by Product Keywords	Look up specific product types (e.g., t-shirts, hoodies) or event-related keywords like Halloween.	TikTok Search	Use filters such as "New" or "Best Seller" to refine search results and focus on products with strong potential.
	Track Regular Themes	TikTok will display related products from previous searches, making it easier to track product trends.	TikTok Search	
	Search Hashtags	Use TikTok Creative tools to search trending hashtags (e.g., Trending, Hot, Popular Now).	TikTok Creative tools	
	Follow Successful Shops/Channels	Track shops or channels that sell best-selling products and keep up with new listings or popular items.	TikTok Shop	
	Check Related Products	Explore related products listed below successful items to get new ideas for your own product lineup.	TikTok Search	
Find Trending Products on TikTok by Spy Tools	Use Spy Tools for Product Ideas	Track competitor product performance, advertising strategies, and top-selling designs.	Kalodata, Masstic.com , Fastmoss.com , Pipiads.com , and Tikstar.com	
		Identify high-performing designs that you can adapt or create similar variations of.		
Evaluate Products/ Designs Based on standards to choose potential (trending) products on TikTok Shop US	Check the Sales Volume	New Products: Choose products with at least 10 sales.	TikTok Shop	
		Older Products: Focus on products with 200+ sales.		
	Check the Reviews and Feedback	High Sales but Few Reviews: Products with high sales but minimal or no reviews could indicate a new trend with untapped potential.	TikTok Reviews, TikTok Comments	
		Review Timing: Check for delays in reviews (6-10 days). Products with a lag in reviews but high engagement could still be trending.	TikTok Reviews, TikTok Comments	
		Avoid Products with No Recent Reviews: If a product has many sales but lacks recent reviews, it may have already passed its trend peak.	TikTok Reviews	
	Check the Video Engagement	Check Interaction: Look for products with high video engagement (likes, views, live interactions, comments).	TikTok Analytics, TikTok	
		Do Comment Analysis: Comments can provide insight into customer interest, especially if there are many questions or compliments about the product.		
	Check the Traffic Source	Check Affiliate Promotions: Products with fewer listings but high sales may be driven by affiliate marketing or video advertisements. These could be worth considering if they show steady sales growth.	TikTok Analytics	
	Check the Hashtag and Trend Relevance	Trending Hashtags: Focus on products associated with trending hashtags (e.g., #Trending, #Hot, #PopularNow).		
		Seasonal or Event-Related Keywords: Look for products tied to specific events or seasons (e.g., Halloween, Christmas).		
	Check Product Filters	Best Seller Filter: Choose products that show up in the "Best Seller" category on TikTok Shop.		
		New Arrival Filter: Explore products listed under "New" to capture early trends.		
	Check Product Variety and Scalability	Adaptable Designs: Choose products that allow for scalability (e.g., turning a t-shirt design into a hoodie, mug, or phone case).	TikTok Shop, Mockup Tools	
		Multiple Variations: Products that can easily be offered in different colors, sizes, or styles are more likely to succeed.	TikTok Shop, Mockup Tools	

Proposed Method of Finding Product/ Design Ideas _ Trend Creating Direction				
Step	Sub-step	Detailed Instruction	Tools	Notes
Understand Target Customers and What They Care About	Understand personas & similarities of target customers	Research and analyse Target Customer Persona Use diverge & converge technique to brainstorm
